Re: Fertilizer Minerals
Clawson 1-2-3 Mine
ACT/039/001
San Pete County, Utah

Dear Mr. Smith:

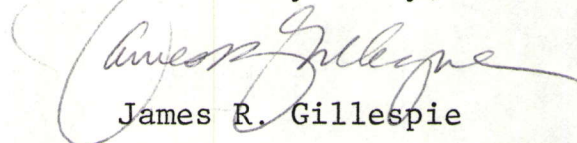

This will acknowledge and thank you for the copy of your letter of June 18, 1983 to Mr. Howard Turrel of U.S. Ferto Corporation regarding the above matter.

You have informed U.S. Ferto that they do not have approval to mine under the Utah Mined Land Reclamation Act of 1975 from the Division of Oil, Gas and Mining. It would appear to me that the corporation should be required to cease operations until such time as that permit has been issued.

In addition, you have requested from U.S. Ferto a completed MR Form 1 with the required supporting documentation. I would very much appreciate receiving copies of the application and accompanying maps, drawings, environmental reports, sureties and permits, etc. when you have received them from U.S. Ferto. If there is any charge for these copies, please let me know.

Thank you very much for your cooperation and assistance.

Yours very truly,

James R. Gillespie
